FUNKY

Funky is the reinvention of avant-garde aesthetics through modernity. This collection moves away from the traditional and ventures into the innovative with oval and rectangular formats that add a new dimension to decorative cladding.

Its design is inspired by traditional clay ceramics, combining a rustic aesthetic with a variety of tones. This makes it perfect for those who seek something unique and avant-garde, yet elegant at the same time.

Funky es la reinvencción de la estética vanguardista a través de la modernidad. Esta colección se aleja de lo tradicional y se adentra en lo innovador a través de formatos ovalados y rectangulares que aportan una nueva dimensión al revestimiento decorativo.

Su diseño se inspira en la cerámica en barro tradicional. Combina una estética rústica con tonalidades diferentes, ideales para aquellos que buscan algo diferente y vanguardista, pero elegante al mismo tiempo.
